- All submissions must be sent electronically as one PDF document. Nominations not received this way will be returned to the nominating group for correction. Deadline must still be met.
- Nomination Packets must be submitted through the Senate Service Portal no later than 4:00 P.M. on Monday, May 06, 2024.

For the Nominators

Nominators should submit the following as one PDF document:

- This nomination form.
- One letter of nomination from the nominator (not to exceed two pages). The letter can include multiple signatures from supporters.
- Nominee's current curriculum vitae

The letter of support should be a comprehensive summary of the quality and accomplishments of the nominee towards shared governance at UCSF. The letter should focus on the scope and impact of their Senate service efforts and should detail what sets them apart from other faculty, such as philosophy, objectives, or impact. All letters may be addressed to the "Committee on Committees".
