Spring Auction Update (Prepared by Terrill Tang)

“On behalf of the Auction Committee, I would like to extend my sincerest thanks to Dean Koda-Kimble as well as the rest of the School of Pharmacy faculty and staff for your generous support of our student initiated community service activities. Your donations will really make a difference for our various service projects and community causes in terms of the types of services we are able to offer and provide as well as the number of people we are able to outreach to and serve. This year, we made about \$1500 more than last year (having assumed an estimated auction cost of about \$600) and each group can expect to see an approximately \$50 increase from what they received last year (about \$300) in spite of the larger number of organizations involved, namely the addition of Heartburn Awareness, AMCP, and LAPS. We look forward to another successful Auction next year and hope that we continue to have the School's faculty and staff involvement and participation. If you have any suggestions or comments on how we may improve the Auction, please don't hesitate to let us know.”

ASSP End-of-the Year Banquet:

ASSP held their annual banquet on Tuesday May 17, 2005 to recognize the pharmacy student leaders and ASSP officers for their commitment and contribution to the School of Pharmacy. We also announced Son Dinh, 3rd year student, as the ASSP Outstanding Student of the Year. The new ASSP Officers for the 2005-2006 year were officially installed at the banquet as well. Aileen Chui is the new ASSP President-Elect.

ASSP Compound Pharmacy Tour

Joanne Whitney (Ph.D., Pharm.D.), Director of the Drug Product Services Laboratory (DPSL), provided an ASSP-sponsored tour of her compounding pharmacy at UCSF to 13 interested students. Students learned the history of the compounding pharmacy and even got hands on with some of the compounding. The tour was followed by dinner.

ASSP Annual Casino Night

We had a great turn out for the casino night. We had faculty member (i.e. Joanne Whitney) dealing blackjack and provided free food, drinks, and fun. We gave over \$400 worth of prizes including an iPod mini.
