Re: Space Reallocation at Laurel Heights

I write to acknowledge your May 19, 2008, letter and to thank the Academic Senate Committee on Academic Planning and Budget for investigating and addressing concerns expressed by Director Nancy Adler regarding the possible repurposing or reallocation of conference center space at Laurel Heights, currently managed by Campus Life Services.

Campus Life Services is working on a proposal regarding future use and management of the meeting facilities, and I expect it to include consideration of the recommendations from the Committee on Academic Planning and Budget. Once I have reviewed the proposal and made a decision on its recommendations, all occupants of the Laurel Heights building will be apprised of any changes.

If you have questions regarding these matters, please contact Associate Vice Chancellor Stella Hsu at 476-5997.
