Current FOR:  Ruth Malone, SBS  
Proposed FOR:  Ruth Malone, SBS/Elizabeth Smith, SBS  
Qtr. Effective:  Fall 2011  

Justification:  FOR change
III. New Courses

N414.11  Advanced Practice Pediatric Nursing Clinical Practicum  .5 - 1 U
Lecture 15-30 hours; Prerequisites: Concurrent registration in N301.11A, N245.04, and N270.04; Restrictions: Consent of instructor; Description: This course serves as the introduction to Advanced Practice Pediatric Nursing (APPN) clinical experience. Students will observe and participate in select practicum experiences, under the guidance of their clinical faculty and/or preceptors. The experiences will involve care of newborn through adolescent in inpatient, outpatient, and/or school-based settings.

FOR: Angel Chen  Offered: Spring 2011

Justification: This is the beginning of the clinical series for students in Advanced Practice Pediatric Nursing program, and involves clinical practicum under guidance of preceptor/faculty prior to advancing into the N415.11 Clinical Residency series. Obtaining early approval from MPC for HRSA Grant submission deadline purpose.
