   a. COR Follow-up Survey  
   b. RAP Funding of Grants from WOS Faculty  
      i. Vote: will the Academic Senate fund grants—peer-reviewed through the RAP process—if they come from WOS faculty, and if those applications have a waiver from Dean’s Office?  
      1. Note that the Senate had previously agreed to have RAP fund such grants, but the Senate itself hadn’t agreed to do so. Analyst Cleaver verified with UCOP Senate that we can fund such grants if a waiver is included.
