Re: Proposed Modifications to the Bylaws of the Faculty Welfare Committee

Dear Chair Green:

Pursuant to Divisional Bylaw 120(B)(5), the Committee on Rules and Jurisdiction reviewed the requests to modify Faculty Welfare Committee bylaws to allow non-Senate faculty (1) to represent UC San Francisco at a Systemwide level on the University Committee on Faculty Welfare, (2) deleting language referencing non-faculty groups on campus, (3) deleting language referencing the In Memoriam process, which has not been acted upon for a number of years due to no reliable source of information regarding deceased faculty members, and (4) introduce language assigning responsibility for the Faculty Handbook to the committee.

The Committee on Rules and Jurisdiction approves these modifications as proposed.

The proposed amendments now must be approved by a vote of the Division, and subsequently approved by the University Committee on Rules and Jurisdiction before they may go into effect.

Sincerely,

The Committee on Rules and Jurisdiction

Statement of Purpose and Justification for Proposed Amendments

In 2012, then-Division Chair Robert Newcomer convened the UCSF Academic Senate Bylaw Review Task Force to review the existing bylaws governing the San Francisco Division of the Academic Senate to propose administrative and substantive updates. The administrative review process corrected outdated references, grammar and other non-substantive issues. It was completed and approved by the Committee on Rules and Jurisdiction in March 2013.

The above proposed bylaw revisions are made after discussion with the Bylaws Review Task Force.

The amendments proposed above include:

1. Language that a designee other than the committee chair may represent UCSF at the University Committee on Faculty Welfare meetings, consistent with the practice of other UCSF Academic Senate committees.
2. Delete language referencing non-faculty groups on campus.
3. Delete language referencing the In Memoriam process, which has not been acted upon for a number of years due to no reliable source of information regarding deceased faculty members.
4. Introduce language assigning responsibility for the Faculty Handbook to the committee.

The Committee on Faculty Welfare thanks you for your review of these proposed changes.

Sincerely,

UCSF Academic Senate Faculty Welfare Committee
