Dear Todd:

I'm writing to advise that for the 2016-2017 Chancellors Funds, RJC will not have any new request for use of the funds.

RJC does support the Faculty Welfare Committee in its support of a one-time funding in 2016-2017 of the Family Services Back-up Care program. This program is experiencing a funding shortage which in turn requires them to request payment from faculty; the program is designed to be complimentary.

It is our intention however to utilize the 2015-2016 CF funds received (\$15K) to provide to an external IT agency – as recommended by UCSF ITS – to conduct discovery/faculty workshops/develop a roadmap for development of the faculty-centric portal.

Thank you.
