Re: Proposed Revisions to SONFC Bylaws

Dear Chair Seielstad:

The School of Nursing Faculty Council (SONFC) recently conducted a review and audit of SONFC bylaws in preparation for the SON's accreditation review. We would like to submit the attached proposed revisions for consideration by the Rules and Jurisdiction (R&J) Committee. The proposed revisions update and clarify general practices of the Council and remedy factual and grammatical errors.

Members of the SONFC reviewed the proposed bylaw changes and voted to approve them at its meeting on June 7th, 2019.

Sincerely,

School of Nursing Faculty Council
