Student Fellowships – The Graduate Council reviewed 134 nominations for 2020-21 Graduate Division internal fellowships. Due to COVID-19 related delays, any 6th year student who was eligible last year was eligible this year as well. Of the 134 nominations there were 26 awards.

Communication of Title IX judgments to Graduate Programs – The Graduate Council invited several faculty members and colleagues from the Office of Legal Affairs and the Office of Prevention of Harassment and Discrimination, as guests to their last meeting of the year to discuss communication, transparency, and graduate group membership in regards to serious violations of the Faculty Code of Conduct.
